In a time of uncertainty, we are here to help children in a crisis.

CALL TODAY 314-261-6011 to schedule an appointment with one of our licensed therapists.

St. Vincent provides FREE services 24-hours per day, 365 days per year.

We practice Trauma-Informed Care, an approach that places trauma at the focus of understanding client experiences/behaviors, including, but not limited to:

- Anger issues
- Bullying
- Defiance
- Victim of abuse/neglect
- Poor decision making
- Homeless youth
- Emotional and/or behavioral issues

We work with youth between the ages of 6 and 19, and provide therapeutic supports to address their key issues. Our individualized care includes:

- Short-term (30-90 day) secure shelter and treatment programs (LifeFOCUS and LifePATHS)
- Outpatient counseling and intervention program (EACHFocus)
- Intensive one-on-one counseling and family counseling sessions
- Psychotherapy and Psychoeducation groups
- Art Therapy
- Mentoring
- Life-skills and vocational classes
- Substance abuse prevention and education
- Aftercare

We are also offering TELEHEALTH support in response to the COVID-19 pandemic. This allows our licensed therapists to provide counseling and support through phone or video chat.

Referrals are easy. Complete on-line referral here.
